EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Enrique J. Mora on May 10, 2005.

The application has been amended as follows: in claim 1, line 12, claim 9, line 11 and claim 17, line 12, the phrase "indicative of" has been changed to "for selectively changing".

Allowable Subject Matter

2. Claims 1-24 are allowed.

3. The following is an examiner's statement of reasons for allowance: the prior art fails to disclose a combination of elements or steps relating to a squelch circuit, including receiving by an integrating digital filter an output signal from an absolute value detector, supplying first and second integrated signals during respective first and second modes of operation to the squelch circuit, where the integrating filter is responsive to at least one selectable filter coefficient for selectively changing an integration response time of the integrating filter, selecting respective numerical values for the selectable filter coefficient so that during the first mode a first integration response time of the integrating filter is sufficiently fast to determine the power level of the first integrated signal over a predefined time interval relative to respective squelch thresholds, and during a second mode subsequent to the first mode, a second integration response

time of the integrating filter is sufficiently slow to smooth out power level variations, if any, in the second integrated signal, as in claims 1, 9 and 17.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
